

Southern Cross GP are currently recruiting a part-time Registered Nurse to join our independently owned and accredited general practices.

Duties and Responsibilities include:

- Triage
- Immunisations
- Wound care management
- Assisting doctors with procedures
- Health assessments
- Chronic disease care plans
- First-line emergency care including the use of emergency equipment
- Patient recalls and reminders
- Cold chain management
- Infection control
- Assisting with practice accreditation
- Reception duties as required

It is expected the successful applicants meet the following essential Skills and Experience:

- Appropriate Tertiary Qualification and current National AHPRA Registration
- Nursing experience
- A genuine interest in Primary Care Nursing and understanding of the needs of General Practice
- Immunisation Certificate or a good working knowledge of the current VIC Childhood Immunisation Schedule
- Current CPR certification
- Excellent communication skills
- Ability to organise and prioritise competing workloads
- Ability to work independently and use initiative as well as being able to work as a reliable member of a team
- Provide a caring and collaborative approach to patient care
- Excellent computer skills and proficiency with Best Practice Software preferred

Previous general practice experience will be highly regarded.

If you would like to join our dynamic team please email your CV with a covering letter and details of 2 referees to:
